## Introducing BMS's Newest Client: Andari Fashion

**November 2, 2010-** BMS is very excited to announce its newest client, Andari Fashion, Inc.

Andari Fashion Inc. is a full service sweater & knits manufacturer based in El Monte, California. Andari has been supplying beautiful clothes to high-end designers and department stores for over 15 years.

Andari also has an independent label, Be Essential, which provides contemporary knitwear to women.

BMS is elated to be assisting such a well respected and enduring company. BMS knows the application of the Vertex system will be able to help Andari continue to grow and prosper.

The implementation of Vertex will immediately begin to cut costs, increase meaningful communication between the suppliers and factories and increase the speed and ease with which Andari will be able to continue to provide knitwear and sweaters to its customers.
